

## Voiceover Recording, Mixing, Audio Post-Production & Sweetening.

CMR has been providing award winning audio production for over 3 decades - plus ISDN connection to voices and studios around the world.

Our full range of audio production and postproduction services include:

- Audio Sweetening for Video
- Complete Foreign Language Conversions
- Radio Spots
- Sound Effects and Foley
- Location Sound Clean-Up
- ISDN & Phone Patch Capabilities
- Production Music Scores
- Audio for TV Spots
- Audio Newsletters

*Engineer & owner Tim Keenan says, "We've been privileged to work with some of the best voices and directors in the business. We draw from that wealth of experience with every job we do"*

### VOICEOVER DEMO PRODUCTION:

Hourly rate includes direction & coaching and complete use of licensed production music & sound effects.
