SHEILA: [COYLY] So... are you coming over today?

ARNIE: Um... I'd really like to but...

SHEILA: You're just avoiding the whole subject of commitment aren't you?...

ARNIE: Hey, I'm not avoiding c-c-comi... that subject - but as you know today is

[BOTH] ...an Ozone Alert Day...

SHEILA: ...I'm not buyin' it, Arnie...

ARNIE: You're not suggesting I drive over and contribute to the air pollution and cause Tulsa to risk losing its Clean Air rating are you?

SHEILA: You could drive over during off-peak hours - that helps prevent air pollution...

ARNIE: I'm checking...no-o-o-pe, I'm all booked up for off peak hours...

SHEILA: Well, you could carpool - we could double date...

SHEILA: OK, OK, you could walk...

ARNIE: With these feet! That would be bunion abuse...

SHEILA: Then how about Tulsa Transit? On Ozone alert days they have free bus rides on all routes... [LONG PAUSE]...Arnie?...

ARNIE: [HURT]...Okay maybe I do have a c-c-c... a problem, Sheila, but at least I would never stoop so low as to make up lies about Tulsa Transit...

SHEILA: [ASTONISHED] Lies? What lies?

ARNIE: [SNEERING] "Free bus rides." Boy, you are desperate...

SHEILA: It's true!

ARNIE: Get help Sheila... [BOTH FADE]
