Thank you for signing up for a VoiceActing Academy basic affiliate account.

When you register for future VAA or VOICE events, or purchase selected downloadable products through our websites, you'll log in to your account to access files and download your purchases. Your account will also be your gateway to our Conductor's Club membership, should you choose to join.

Your account is also where you can earn commissions by helping to promote selected events and downloadable products. Even if you never attend a workshop, never sign up for an event, never attend a VOICE conference, or never purchase a qualified item through one of our sites, you can still earn a commission on every qualified purchase or registration that comes through your VAA Affiliate Link. Complete instructions on how to create your VAA Affiliate Link are on the Home page of your account.

Just log in to your account, follow the instructions, then create a text link or attach the link to an image. We even provide graphics for you to use. Your link can be posted on a blog, in an e-mail, or on your web site. Whenever someone clicks through your affiliate link, our system puts a small cookie on their computer, so when they make a qualified purchase or event registration, your account is automatically credited with the commission. Commissions are paid into your PayPal account approximately 60 days after the transaction.

As we expand our services, we'll be adding more products and events as commissionable items. As of the date above, here's the list of qualified registrations and purchases:

<b>Commissionable Item</b>	<b>Commission</b>
